TOWN WARRANT

Town of Lyndeborough
State of New Hampshire

The Polls will be open from 10:00 a.m. to 7:00 p.m. to act upon Article 1.

To the inhabitants of the Town of Lyndeborough in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Citizens' Hall in said Lyndeborough on Tuesday, the twelfth day of March next at 10:00 of the clock in the forenoon to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

The balance of the Warrant to be taken up and voted upon on Friday, March 15, 1990 at 7:30 in the evening at the Wilton-Lyndeborough Cooperative Junior Senior High School, Wilton, New Hampshire.

ARTICLE 2. To hear reports of all Town Officers, Agents, and Committees, and take any action relative thereto.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow sums of money in anticipation of taxes.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting, money from any source which becomes available during the fiscal year.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to convey property acquired by the Town by Tax Collector's deed, by public auction or advertised sealed bid, or in such other manner determined by the Selectmen as Justice may require.

ARTICLE 6. To see if the Town will vote to accept the portion of Locust Lane that has been relocated across Lots 13-70-1, 13-70-2 and 13-70-3 according to the plan accepted by the Planning Board on December 28, 1988; and to accept the extension of Locust Lane approved by the Planning Board on December 28, 1988 and amended by said Board on June 14, 1990.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to deed to the owners of Lots 13-69 and 13-69-1 that portion of Locust Lane that has been abandoned by the relocation approved by the Planning Board on December 28, 1988.

ARTICLE 8. To see if the Town will vote to appropriate the sum of seventy-five thousand dollars (\$75,000) for improvements to Pettingill Hill Road, and to raise such sum by serial notes or bonds, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 9. To see if the Town will vote to accept the Budget as prepared by the Budget Committee or make any alterations thereto, so as to raise such sums of money to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of nine thousand, six hundred twenty-five dollars (\$9,625) for Lyndeborough's share of the ambulance to be purchased by the Wilton-Lyndeborough Volunteer Ambulance Service, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000) for the purchase and improvement of land for a parking lot for Citizens' Hall, and to authorize the Selectmen to accept said land in the name of the Town, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000) for the purchase of air bag rescue equipment by the Lyndeborough Volunteer Fire Department, to be fully reimbursed by State or Federal money and by the Fire Department, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of seven thousand, five hundred dollars (\$7,500) to construct storage rooms at the Tarbell Library, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 14. To see if the Town will vote to establish a Capital Reserve Fund according to the provisions of RSA 35:1 for the purpose of a Highway Department vehicle, and to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in this fund, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 15. To see if the Town will vote to establish a Capital Reserve Fund according to the provisions of RSA 35:1 for the purpose of a Police Department vehicle, and to raise and appropriate the sum of four thousand dollars (\$4,000) to be placed in this fund, or take any action relative thereto. (Recommended by the Budget Committee)

ARTICLE 16. To see if the Town will vote that commencing in 1992, the Town shall observe Memorial Day on the day designated as the Federal holiday, and provide Town funds for a parade and other appropriate activities on that day, or take any action relative thereto.

ARTICLE 17. To see if the Town will vote to request the Congress of the United States propose an amendment of the United States Constitution, for ratification by the states, specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States.

ARTICLE 18. To see if the Town will vote that, commencing in 1992, the second session of Town Meeting authorized by the Town in March, 1977 to be on a date set by the Selectmen under the provisions of RSA 39-2a, be held on the Saturday following the second Tuesday of March.

ARTICLE 19. To see if the Town will vote to form an Historic District Commission to perform research and to prepare an Historic District Ordinance for the voters' approval with five members and up to three alternates appointed by the Selectmen. One member to be a Selectman, one a Planning Board member and three to be interested residents. As provided in RSA 673 through 675. (By request).

ARTICLE 20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred ninety-one.

Charles E. Levesque
Theodore D. Rocca
Robert H. Rogers
Selectmen of Lyndeborough

A true copy of Warrant attest:

Charles E. Levesque
Theodore D. Rocca
Robert H. Rogers
Selectmen of Lyndeborough

Report of Budget Committee

Based on the tax burden now upon us due to the rate increase of recent years and the state of the economy, the Budget Committee set as its goal a "no tax increase" budget for 1991. That goal has been accomplished for the portion of the budget over which we have authority. The final rate will depend on what the Co-op and County budgets look like.

As important as meeting this final goal was to us, we placed equal emphasis on evaluating the operational budgets to be sure funding was adequate to provide the services you want. Department budgets have not been underfunded just to keep the tax rate level. The most liberty was taken with capital projects or items. These were funded based on proven need. It is crucial to tax rate stability that our capital costs be scheduled to minimize yearly fluctuation. The Capital Improvement Plan Committee (C.I.P.) has done an excellent job of evaluating each need, looking at the scheduling options and establishing a program that levels costs. Based on their suggestions and our own review, we are confident some proposed capital expenses can be postponed without being "penny-wise and pound foolish", and most importantly without causing future tax hardship.

The two equipment purchases deferred were the grader (to '93) and a fire truck (to '94). We felt the additional repair expenses to keep them going were a reasonable trade-off, allowing us to buy them in a future year when their cost would have much less of an impact on the tax rate than if purchased now. The major project delayed was the updating of Citizens' Hall. While the Space Needs report is done, more public input is desired before any decisions are made.

On the other hand, we are recommending that the gravel portion of Pettingill Hill Road be upgraded. We chose to improve this road instead of repairing the bridge by Kallman's on Old Temple Road. The lowest cost option to repair the bridge was \$200,000. We can improve Pettingill Hill Road for \$75,000. Access to this area of town would be improved by widening the road so two cars can pass, allowing for proper drainage, and correctly banking the corners. The project contemplates doing just what is necessary to make the road safe and does not include any paving. Doing it over several years with our own road crew was considered, but rejected due to the length of the disruption, safety considerations, and the feeling that the Highway Department needs to spend its time on other areas of town in order to meet its own road improvement schedule. We also felt that with the slow economy we could get the job done for a very reasonable price.

The school budget spends more money in the "regular accounts" areas for the first time in several years thanks to a decrease in Special Education costs. Unfortunately, these costs can escalate just as quickly as they disappear. We know the School Board will monitor the Special Education costs closely to do their best to keep them under control. With no salary settlement, the salary

budget reflects current salaries plus a step increase worth around three percent. Overall, the budget meets the "no increase" goal and we support it. I want to also mention that we especially appreciated the proposal to engage volunteers to help paint the school thus allowing that money to go for education related needs.

Lastly, we are asking that you again consider establishing some Capital Reserve funds. While not appropriate for all capital spending situations, they would seem to be a viable financial management tool for reoccurring expenses in particular. Your support of this funding approach would go a long way toward assisting us in controlling future capital expenses. It is the key, frankly, to being able to move forward with our capital commitments while minimizing the impact on the tax rate.

Our thanks to the departments and School Board for their cooperation. All came in with budgets close to or below last year's. Everyone had an appreciation for the tax burden and worked with us to frame a "no increase" budget. My thanks also to the Budget Committee and C.I.P. members who worked hard balancing needs and costs. We hope the end result meets with your approval.

Respectfully submitted,

Burton H. Reynolds

AUDITOR'S REPORT YEAR ENDED 1989

Board of Selectmen
Town of Lyndeborough, New Hampshire

We have audited the financial statements of the Town of Lyndeborough, New Hampshire for the year ended December 31, 1989, and have issued our report thereon dated March 2, 1990.

In planning and performing our audit of the financial statements of the Town of Lyndeborough, New Hampshire for the year ended December 31, 1989, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

The management of the Town of Lyndeborough, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objective of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

- Budget
- Cash and Investments
- Revenue and Receivables
- Expenditures for Goods and Services and Accounts Payable
- Payroll and Related Liabilities
- Debt and Debt Service Expenditures

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

A material weakness is a condition in which the design or operation of one or more of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material to the financial statement may occur and not be detected

within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all conditions that are considered to be material weaknesses as defined above. However, our study and evaluation disclosed no condition that we believed constitutes a material weakness.

This report is intended for the information of management, and the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Vachon, Clukay & Co., PC

March 2, 1990

SELECTMEN'S REPORT

The most significant factor in the Town's operation this year has been the declining economy. Many households have found their income dramatically reduced, resulting in difficulty in paying their property taxes. The Town has been forced to borrow more money and at an earlier date just to pay its obligations. Through careful control by department heads, almost \$24,000 of the 1990 budget was unexpended, which will help to reduce the 1991 taxes. In addition, the 1991 budget was constructed to prevent any tax increase. We hope that these actions along with an upturn in the economic situation will ease the burden now being felt by the taxpayers.

Over the years, the Selectmen have noted relatively poor attendance at School District and Town Meetings. In 1977, the Town voted to divide Town Meeting into two sessions, with the bulk of the Warrant to be taken up "on a date set by the Selectmen" as provided in RSA 39-2a. Until this year, that date has been the Friday evening following the second Tuesday in March. Discussions with the Moderator and the School Board produced a consensus that both meetings might be more conveniently held during the day on Saturday. To that end, the School District Meeting has been scheduled for Saturday, March 16, and the Moderator will recognize a motion on Friday, March 15 at 7:30 PM to recess the Town Meeting to Saturday to follow School District Meeting. It has been suggested that, in subsequent years, the order of the meetings be alternated. An article has been placed in the Town Warrant to formalize this choice of meeting date.

Early in the fall, the Citizens' Hall Committee held a public hearing to discuss their report and recommendations, but few citizens attended. Lacking any true picture of the Town's wishes, the Selectmen declined to expend the \$10,000 appropriated for renovation of the Hall. This money has lapsed into the surplus to help defray 1991 taxes. During the recess between the School District and Town Meetings, there will be a discussion of the future uses of Citizens' Hall and an informal vote will be taken to guide the Selectmen and the Budget Committee on this subject in future years.

Regardless of the future uses of Citizens' Hall, more parking space is necessary to avoid parking on the narrow road and to provide for the safety and convenience of the public. The Town has the opportunity to buy a small piece of land from Guy Reynolds at a very reasonable cost which will more than triple the present lot. This opportunity may not appear again, and we urge the voters to support the purchase.

Two years ago, the Town appropriated \$ 5,000 to study the Old Temple Road stone arch bridge. The result of this study was an engineering estimate exceeding \$160,000 to strengthen the bridge,

which even then would remain one lane wide. The dangerous intersection of Old Temple Road with Route 31 and the steep approach to it were not addressed in this estimate. It seems apparent to this Board that improving access to the southwestern part of Town via Old Temple Road is not a practical option at this time. Therefore, the Warrant contains an article to appropriate \$ 75,000, to be raised by serial notes or bonds, to improve the gravel portion of Pettingill Hill Road. The present roadway is extremely narrow, subject to mud and washouts, and with many blind spots and improperly banked corners. To permit safe passage by residents and access by delivery trucks and emergency vehicles, improvements are imperative. Some modest widening, ditching, ledge removal and graveling are planned. Regrettably, many trees will have to be cut in the process. Cutting trees is an emotional issue, and although we value the beauty of our rural roads, we have a strong concern for the safety of the public and the related liability to the Town. We hope that, before you form an opinion, you will find the time to drive down this road and see for yourself.

Two articles in the Warrant ask the Town to create Capital Reserve Funds for future purchases of a Highway Department vehicle and a Police Department vehicle. We believe that such funds represent responsible fiscal policy and that the Town will ultimately benefit from such foresight. Although this is a difficult year to institute new budget items, the sums requested are quite modest and will have little impact on your taxes. We support these articles.

We would like to express our appreciation for the many years of service and effort in behalf of the Town by former Selectman, Reginald Wetherall.

We commend the Budget Committee for putting together a Budget which satisfies the Town's important needs without increasing the tax burden. This was possible only with the cooperation of the department heads, whose frugal management of Town funds has kept Lyndeborough's taxes from rising beyond reason. We commend all of the Town's employees for their willingness to work diligently for what we can afford. We commend the various boards, committees and officials for their untiring efforts on behalf of the Town. Lastly, we commend the Townspeople for their patience and understanding during a period when Lyndeborough received undeserved notoriety. We hope that 1991 will be a year of renewed confidence in those that make local government work.

Respectfully submitted,

Charles E. Levesque,
Theodore D. Rocca,
Robert H. Rogers,
Selectmen

1990 Police Report

I would like to take this opportunity to thank the residents of the town for their continued support to the department over the past year. It was, in part, this support that approved the purchase of a new police cruiser; allowing us to retire the five year old vehicle. In these economic times we understand that any expenditure is a sacrifice. We would like to express our sincere appreciation for this purchase and our commitment to make it last as long as possible.

A wide range of safety programs continue to be of importance to us in our schools. The first D.A.R.E. (Drug Awareness Resistance Education) programs were completed in the elementary school by Tr. Forrand of the State Police. Attending the graduation exercises of such an intense program certainly points out the interest and maturity our students show toward the drug problem. It is my hopes that this program can continue in the future. The safety patrol, Halloween safety, and other programs appear to be a success. We find students of all ages interested in the safety patrol and mischievous types of activity at Halloween are at a minimum. More frequent trips have been made to the kindergarden to allow the younger children a chance to meet the police. Each student has the opportunity to speak with the officers and view the cruiser along with its equipment. We are actively planning future programs, both the expansion of those in place as well as new ones.

With liability issues being uncovered on a daily basis in service, training has to be a priority item. As mentioned in our 1989 report, we were looking forward to utilizing training services offered by the New Hampshire Municipal Association at no cost to the town. Early in 1990 we did attend such a training seminar. Not only was the course offered at no cost to the town, the instructors came to Lyndeborough rather than us having to travel. This proved most helpful as officers were called from the class to handle a motor vehicle accident on Center Road involving a drunk driver. Looking toward 1991 we will see another first as part time officers from Lyndeborough are scheduled to attend the Full Time Officers Academy as sit in students for a particular class, again at no cost to the town.

The 1990 report would not be complete without the mention of Officer Timothy Foster. Officer Foster joined the Lyndeborough Police Department, and after graduating from the Part Time Officers Training, served many functions. Some knew Tim as the young officer who ran radar on Route 31, or may have handled a call at your home. Students remember him as the officer who assisted with safety programs at the school. Officer Foster left the department to rejoin his unit in the U.S. Army. Shortly after reinlistment Tim's unit was sent to the Persian Gulf as part of

what is now Operation Desert Storm/The Gulf War. In his most recent letter, Tim wrote, "Things sure have changed a lot since the days of wearing a badge for Lyndeborough...Tell everybody I'm thinking about them and I wish I was there." Our thoughts are with him as he serves miles from home.

Cooperation and support are very important to have between a community and it's police department. During the period as your Chief, in excess of three years now, the people of Lyndeborough have been very supportive of our department. This support has not gone unnoticed nor unappreciated. Currently we find ourselves in hard economic times, and it is during such times when we must keep the cost of operations as low as possible without risk of harm to persons or property. In an effort to do our part, the 1991 budget for the Police Department as proposed to the Budget Committee, is less than that which was requested by the department for 1990. We all appreciate the opportunity to serve as your police officers and look forward to a long-lasting relationship.

Respectfully submitted,

John J. Gryval, III,
Chief of Police

1990 REPORT OF
WILTON LYNDEBOROUGH VOLUNTEER AMBULANCE
AND RESCUE ASSOCIATION

During the calendar year 1990, the squad gave service to the communities on 211 occasions. Most (120) were in response to home illnesses, 44 were for injuries, and the rest were miscellaneous such as mutual aid and response to police matters and fire calls.

The service continues to have about 25 active members who man the ambulance on twelve hour shifts around the clock. They pursue their usual activities and are called by radio pager as needed. At that time, they drop what they are doing and respond. It requires some training and dedication, but those who volunteer do not find it burdensome. Especially in small towns the volunteer spirit is alive and well. People return help to their communities in the spirit that is hard to beat anywhere.

On the same note, a continuing flow of volunteers is needed. We must have a few good men and women who can spare one duty day a week. We especially need those who can serve weekdays, or half a weekday.

For those who are not familiar, the service is organized as and independent non-profit corporation whose purpose is to serve the towns of Wilton and Lyndeborough. It is partly funded by the two towns on a ratio as agreed by their Selectmen, and is further supported by a fee charged for services. The attendants and directors serve without pay, although a small sum is provided to make up some of the attendants' expenses.

The ambulance bay is located on Forest Road (Route 31) just south of the Wilton Lyndeborough town lines, to be available quickly to each town. The response time is usually a few minutes, and when the location is remote an attendant will usually go directly to the scene to begin stabilizing the patient for transport. While the minimum attendant qualification is that of augmented advanced Red Cross first aid, most of the volunteers, including nurses, have advanced to Emergency Medical Technicians with advanced skills.

Respectfully submitted,

Betty Stevens

REPORT OF THE ROAD AGENT

The year 1990 was somewhat difficult; stepping into the middle of the year with no set program to work with. I fully expect 1991 to be a progressive year with the incorporation of a road upkeep/upgrade plan.

The year 1990 also saw the completion of the new Town Garage. It took hard work and organization to get transferred from the old facility to the new. Anyone wishing to view our facility is welcome to stop in.

I'd like to thank many citizens of Lyndeborough for their advice, support, and notes of appreciation during the 1990-1991 winter season.

The Highway Department staff, Warren Murdo, Walter Kiblin and Ed Churchill have shown that they are very capable and willing employees and have made my stepping into this job an easy transition.

We, as a department, will continue to give our all.

Respectfully submitted,

Tony Rocca,
Road Agent

NOTICE FROM THE STATE OF NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION FOR HIGHWAY BLOCK GRANT AID

Following is a notice showing the amounts of State Highway Block Aid that may be available to your City/Town in 1991. The January and April payments are set amounts and should not change. The April payment is adjusted to reflect the actual State gas tax revenues and motor vehicles fees collected in Fiscal Year 1990. The July and October payments are based on estimated revenues and could possibly change.

State Highway Block Grant Aid available to Lyndeborough during calendar year 1991 is estimated as follows:

Highway Block Grant Aid

Chapter 235, of the Revised Statutes Annotated, as amended, provides block grant aid payments for the maintenance, construction and reconstruction of Class IV and V highways.

January Payment	\$ 9,711.84
April Payment	\$ 8,167.33
July Payment	\$ 17,556.90
October Payment	\$ 17,556.90
Total:	\$ 52,992.97

James A. Moore, Administrator
Bureau of Municipal Highways

REPORT OF THE FIRE DEPARTMENT

1990 Saw the Lyndeborough Fire Department responding to 32 calls: 7 car fires, 6 brush, 4 accidents, 4 chimney, 3 mutual aid, 3 rescue, 2 service, 1 alarm, 1 search and 1 smoke investigation. Although the number of calls was lower than the previous year, the activity level in the department continues to run high.

As training continues to be one of our top priorities, we were again fortunate to have a building donated for our use. This type of training is invaluable. As we work closely with the area's towns, Greenfield and Wilton also participated in this training burn. Greenfield has already reciprocated and invited us to participate in training on a building given to them for training purposes.

Truck repairs seemed to occupy a good amount of our time this year. Engine 5 required \$2200 in mechanical repairs. Our truck maintenance budget for the entire department was only \$2000, so needless to say some other needs in the department suffered. We have had a plan since our last truck purchase in 1984, (previous truck purchase in 1977), to replace Engine 5 in 1991. Thereby continuing on a plan to replace 1 of our 4 trucks every 7 years and thus eliminating the purchase of 2 trucks within a 7 year period. This was our attempt to spread out capital spending for the Fire Department. However, during this year's Capital Improvements Plan revision, the CIP committee decided to delay the purchase for 3 years. We have put in many hours attempting to convince the CIP and Budget Committee to reconsider, but to date we've been unsuccessful. This has been a very frustrating issue for the Department!

Fund raising efforts were quite successful this year. With our 3 alarm yard sale we were able to raise enough money to purchase 3 new portable radios. We thank all those who donated as well as those who purchased.

Firefighter, Mike Campbell, was again successful at soliciting a donation of \$1000 from his employer, ROLM. Thank you Mike and ROLM! We are planning to combine this money with additional donations and apply for matching funds to purchase a set of air rescue bags. If we are successful, we will have obtained \$3000 worth of equipment at no cost to the taxpayers of Town.

Some of you may have noticed a new overhead door at the station. This is an insulated door. The plan is to replace the second door in 1991 and the remaining 2 in 1992. We anticipate savings in our heating bill due to this improvement.

As I mentioned earlier, there is quite a bit of activity in the Department. Activity that most of you don't see. Many hours are put in by the members of the Department with one goal in mind, to protect the life and property of the citizens of Lyndeborough. We are a volunteer organization; an organization which competes for time in an era where there quite frankly isn't much free time available. To continue to be successful we must continue to grow our membership. We are always looking for good people. Stop down

and talk. We'd be glad to have you join.
Thanks to the officers and members of the department, Town officials and departments, the Ladies Auxiliary and all of you who support our efforts.

Respectfully submitted,

Zeke Harkleroad,
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any materials in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1000 and/or a year in jail and your are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

REPORT OF THE PLANNING BOARD

Reflecting the slow building activity, only 3 minor subdivisions and 3 lot line adjustments were heard and approved. For the same reason, only half of the available Growth Ordinance Permits were issued. These statistics do not, however, reflect how busy the Board was.

A total of 96 applicants, abutters and interested citizens, attended meetings during the year. The Board was particularly pleased to see the citizen interest. In addition to many informal appearances requesting information, two important non-residential site plan reviews were held involving a new postoffice and a telephone substation. A subcommittee chaired by Mary Alice Fullerton prepared the annual update of the Capital Improvement Plan which the Board approved and submitted to the Selectmen and Budget Committee. Revisions of the Non-Residential Site Plan regulations were also accomplished.

REPORT OF THE CONSERVATION COMMISSION

In honor of the 1990 Earth Day and Arbor Day celebrations, the Conservation Commission planted trees throughout the town. A sugar maple was planted with a ceremony at the school and a disease resistant Liberty Elm was planted in Lyndeborough Center. The Conservation Commission purchased 100 Liberty Elms from the Elm Research Center, and with the help of the Boy Scouts, planted them in a temporary plot in Lyndeborough Center adjacent to the Town Hall. In time these trees will be able to be transplanted throughout town, eventually providing beauty and shade.

The Conservation Commission continued discussions about additional landscaping at Lyndeborough Center. Other discussions focused on ways to preserve scenic and important areas in the town. The Commission met with representatives of the Society for Protection of New Hampshire Forests and Wagner Woodlands Corp. to discuss strategies for creating a wildlife area near Route 31, but were unable to bring plans to fruition. Members of the Commission have been contacting landowners to discuss the advantages of conservation easements.

The Commission again sponsored a youth to attend Conservation Camp.

**J.A. TARBELL LIBRARY
LIBRARIAN AND TRUSTEE REPORT**

Central School Library Annex: In 1990 the Library Annex was officially established at the Central School by agreement between the Central School Board and the Library Trustees. This action was taken as a first major step toward meeting State standards for school libraries and to improve upon the already major effort the library was making on behalf of the school. The objective of this approach was to use resources already in place to do a better job at the least cost to the Town.

Some of the actions and effects of this decision are: 1) 396 hours of the Librarian's time are now dedicated specifically for the school and are paid for by the school r budget; 2) the library and the school now make coordinated purchases to take advantage of discount opportunities, 3) most classes taught by the Librarian take place at the school to avoid having the students walk Route 31, and 4) more than 500 of the library's books have been transferred to the school annex and are counted as part of the school collection. The use of the library's books at the school allows the school to meet state standards for size of collection.

Hours: The hours the library is open have not been increased for this year, nor have the total number of hours the Librarian works. When the Librarian is at the school the library is operated by unpaid volunteers.

Volunteers: Help is always needed for clerical and administrative chores and to assist when the Librarian is at the school. Contact the Librarian if you think you can help. The Trustees are deeply grateful for all the hours of quality work donated in 1990.

Gifts: The library continues to rely on gifts and donations to maintain and improve the quality of the services it offers. A substantial portion of the library's total expenditures come from sources outside the Town budget. We continue to be grateful to the Lyndeborough Improvement Society which for many years has paid the Library's electric bills. Those wishing to contribute should mail their tax deductible checks to the Trustees at the library.

Books, both new and used, are another form of donation. Some are retained for our collection, others are used in our perpetual book sale, which in 1990 brought in \$273.05. Please bring your books to the Librarian and browse (and buy) those on sale.

The library building: In 1990 many improvements were made including replacement of the basement window frames and screens and the painting of all windows and outside woodwork.

The library building is available for organization meetings when not open for normal operation. Contact the Librarian (654-6790) to make arrangements.

Circulation: figures for 1990 show a total of 7152 items circulated for an average of over 137 per week. This includes juvenile books, adult fiction, magazines, non-fiction and paperbacks. Acquisitions totaled 416 hardcover books of which 322 were in the juvenile area. 295 items were acquired through interlibrary loan, and 166 used books and numerous uncataloged paperbacks were donated to the collection by patrons and other libraries. From September through 12/31/90, 1120 books circulated from the School Library Annex.

REGIONAL FAMILY HEALTH

During 1990 residents of the Souhegan Valley joined together as Regional Family Health, Inc. to work with Gateway Health Center to offer family planning and other health services to low income women and teenagers.

Funds were raised and a location secured at the Monadnock Family Medicine facility at Jones Road in Milford. Due to delays in needed state approval, the planned starting date of June was postponed until November.

All present clients seen have been seen from Milford, Greenville, Wilton, Lyndeborough and New Ipswich. Because there was some initial concern about the age of teenagers seeking services, it is reassuring to note that of the five patients under eighteen who have been seen, parental or guardian awareness was indicated and permission for clinic personnel to contact them at home was given.

Initial indicators are that there is a need for a clinic in this area.

Respectfully submitted,

Betty Stevens,
Health Officer

**REPORT OF HOME HEALTH CARE
AND COMMUNITY SERVICES, INC.**

In 1990, Home Health Care and Community Services continued to provide home care and community services to the residents of Lyndeborough. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1990. The projection is based on actual services provided from January through September 1990 and an estimate of usage during October, November and December.

Service Report

<u>Services Offered</u>	<u>Services Provided</u>	<u>Services Supported Partially or Totally By the Town</u>
Nursing	21 Visits	5 Visits
Child Health Nursing	1 Visit	1 Visit
Physical Therapy	31 Visits	0 Visits
Speech Pathology	0 Visits	0 Visits
Occupational Therapy	3 Visits	0 Visits
Homemaker	0 Hours	0 Hours
Home Health Aide	0 Visits	0 Visits
Medical Social Worker	1 Visit	1 Visit
Nutritionist	0 Visits	0 Visits
Office Visits	0 Visits	0 Visits
Child Health Program	4 Children	4 Children

Total Unduplicated Residents Served: 11

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

Financial Report

The actual cost of all services provided in 1990 with all funding sources is projected to be \$ 5,355.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 1991, we recommend an appropriation of \$ 2,500.00 to continue home care services at the current level.

Thank you for your consideration.

Sincerely,

Susan Ashworth,
Director of Community Relations

Linda Anderson

SCHOOL BOARD

SUPERINTENDENT'S REPORT
LYNDEBOROUGH CENTRAL SCHOOL

It is my pleasure to submit my seventh report to the District for the 1989-90 school year.

This school year began with 109 students, with individual grade enrollment as follows: First Grade - 23, Second Grade - 14, Third Grade - 13, Fourth Grade - 19, Fifth Grade - 19 and Sixth Grade - 21.

September of 1989 brought the addition of a new part-time Physical Education teacher, Ms. Darlene Blanchard. This fall, Susan Yamamoto replaced Kathleen Kenne as the half-time sixth grade teacher.

At its annual meeting, the school district approved an appropriation of \$642,910 and a deficit appropriation of \$20,000. Mrs. Linda Anderson was elected to the school board for a 3 year term replacing Steven Plante. Mrs. Anne Harkleroad was elected chairperson and Mrs. Anderson as clerk.

The school year was filled with activities including an after-school enrichment program and initiation of a drama club under the direction of Mrs. Maria Reynolds and Mrs. Gail Hiltz. The media center was completed, and, thanks to the efforts of several community members who generously contributed their time and labor as well as materials, it has become an integral part of the school. The school is also fortunate to have the services of a dedicated group of parent volunteers who direct project activities at each grade level. Lyndeborough Central continues to be a true community school.

Your school administration looks forward to working with school staff and community to provide the best possible education for the children of Lyndeborough. We wish to thank the School Board and community for their support.

Richard V. Lates

ASSISTANT SUPERINTENDENT OF SCHOOLS

Ms. Francine E. Fullam

STATE OF NEW HAMPSHIRE

WILTON-LYNDEBOROUGH COOPERATIVE SCHOOL DISTRICT WARRANT

FOR ELECTION OF OFFICERS ON MARCH 12, 1991

To the inhabitants of the Wilton-Lyndeborough Cooperative District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET ON THE TWELFTH DAY OF MARCH 1991 TO VOTE FOR DISTRICT OFFICERS.

Wilton voters at the Wilton Elementary School at 10:00 o'clock in the forenoon and Lyndeborough voters at Citizens' Hall in Lyndeborough at 10:00 o'clock in the forenoon.

To vote for District Officers:

1. To choose a Moderator, by ballot, for the ensuing year.
2. To choose two (2) members of the School Board, by ballot, one (1) from the Town of Wilton and one (1) from the Town of Lyndeborough, each member so chosen to serve a term of three (3) years.
3. To choose three (3) Members of the Budget Committee, by ballot, two from the Town of Wilton, and one (1) from the Town of Lyndeborough, with each member so chosen to serve a term of three (3) years.
4. To choose, by ballot, two (2) Auditors for the ensuing year.

Polls will open for balloting at the designated hours above and will not close before 6:00 P.M. in Wilton and 6:00 P.M. in Lyndeborough.

GIVEN UNDER OUR HANDS AT SAID WILTON THIS _____ DAY OF FEBRUARY, 1991.

SCHOOL BOARD

**STATE OF NEW HAMPSHIRE
WILTON-LYNDEBOROUGH COOPERATIVE SCHOOL DISTRICT WARRANT
FOR ANNUAL DISTRICT MEETING ON MARCH 8, 1991**

To the inhabitants of the Wilton-Lyndeborough Cooperative School district in the Towns of Wilton and Lyndeborough, in the County of Hillsborough, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE WILTON-LYNDEBOROUGH COOPERATIVE JUNIOR-SENIOR HIGH SCHOOL IN SAID DISTRICT ON FRIDAY, THE EIGHTH DAY OF MARCH, 1991 AT SEVEN-THIRTY (7:30) O'CLOCK IN THE EVENING, TO ACT UPON THE FOLLOWING:

Notice: School District Officers to be elected at the Town Meeting to be held at the Wilton Elementary School in Wilton and the Citizens' Hall in Lyndeborough, beginning at 10:00 o'clock in the morning on Tuesday, March 12, 1991.

5. To hear reports of Agents, Committees, or Officers chosen, and to pass any vote relating thereto.

6. To see if the District will vote to authorize the School Board pursuant to RSA 198:20-b to apply for, accept, and expend without further action by the School District Meeting, money from any source which becomes available during the fiscal year.

7. To see if the District will vote to authorize the School Board to appoint a committee to review the Articles of Agreement within five years or take any other action relating thereto.

8. To see what sum the District will vote to appropriate to help support with other school districts a court challenge to the constitutionality of New Hampshire's method of funding public education through nearly total reliance on local property taxes.

9. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District Officers and Agents, and for payment of statutory obligations for the District.

10. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID WILTON THIS _____ DAY OF FEBRUARY, 1991.

SCHOOL BOARD

SCHOOL BOARD

SUPERINTENDENT'S REPORT
WILTON-LYNDEBOROUGH COOPERATIVE SCHOOL

It is a pleasure to submit my 7th report to the District for the 1989-90 school year.

The 1990 school year began with a student enrollment of 307 students with the following grade enrollments:

1989-90	1990-91	1991-92 (projected)
Grade 7 - 64	Grade 7 - 70	Grade 7 - 58 (17+43)
8 - 52	8 - 57	8 - 69
9 - 46	9 - 60	9 - 57
10 - 38	10 - 37	10 - 62
11 - 46	11 - 37	11 - 37
12 - 35	12 - 41	12 - 37
Sped - 5	Sped - 5	Sped - 5
<u>286</u>	<u>307</u>	<u>325</u>

Ms. Barabara Potvin joined the Cooperative staff as a teacher of special education, replacing Ms. Catherine Smith.

Mr. Harold Melcher was re-elected to the School Board for a three-year term and was re-elected to Chair of the Board. Mr. Barry Greene was re-elected Vice Chairperson; Ms. Maria Brown was appointed School Board Clerk; Ms. Jessica Vargish was elected Student Representative; and Mr. Larry Brown was elected Treasurer. At the Annual Meeting, the School District approved an appropriation of \$1,959,574 and a deficit appropriation of \$24,000.

The Wilton Lyndeborough Junior-Senior High School has initiated three new and exciting programs within the past year to benefit students and ensure their academic success. Nearly all teachers have received training by a specially trained member of our staff, Ms. Maragaret Picard, in the Teacher Expectations and Student Achievement Program. This program heightens teacher awareness of and sensitivity to their interactions with students within the classroom setting. Teachers are trained to observe each other and provide feedback regarding the questioning techniques of their colleagues. Teachers are reporting that they are impressed with the training and with student response to their efforts.

The advisor-advisee program was implemented for the first time this fall, and results have been immediate and positive. Each professional staff member, including the principal and assistant principal, meet for 10 minutes each day with a group of 8-10 students representing all grade levels. Students are allowed to select their advisors, and advisors serve as advocates for their advisees, supporting them in their school work and with their school problems. This program has brought students and teachers much closer together and has assured that students' individual needs are not overlooked.

This year is the second year of the writing and monitoring of educational development plans for all students in the junior high to make certain that each student has an appropriate school program which meets his/her educational needs. In addition any student who has demonstrated a specific learning need or deficit at the elementary level is closely monitored in order to ensure a smooth transition to grade 7 and no interruption of services. An orientation day was planned for all incoming seventh graders before school began this fall, so that they would be completely familiar with their new school and their new teachers.

A writing test was given to all 6th graders, and the results were analyzed by members of the English Department. It is the strong feeling of the School Board and staff that writing skills are essential for success as an adult and therefore must be improved. Teachers are placing greater emphasis on necessary writing skills based upon the results of this annual writing assessment.

Your school administration looks forward to working with school staff and community to provide the best possible education for the children of Wilton and Lyndeborough. We wish to thank the members of the School Board and communities for their confidence in us and their support of our efforts.

Richard V. Lates
Superintendent of Schools

PRINCIPAL'S REPORT 1990
W/L Cooperative Jr./Sr. High School

On June 8, 1990, thirty-five (35) WLC students received their diplomas from Mr. Barry Greene, Vice-Chairman of the WLC School Board.

Top scholars for the Class of 1990 were David Geary, Valedictorian and Melanie Pries, Salutatorian. Sixty percent (60%) of the graduating class went on to further their education, having been accepted at the following institutions of higher learning:

Northeastern University, Florida Southern College, Ohio State U., U.S. Coast Guard Academy, UNH, Washington State University, Iowa State, Rivier College, Keene State College, Augusta College, New Hampshire College, Quinnipiac College, U. of North Carolina, Merrimack College, Wake Forest University, Alfred University, New Hampshire Technical College at Nashua and Manchester, University of Cincinnati, Wagner College, Bridge-water State, Lyndon State, Plymouth State, U. of Southern Maine, Marymount College, U. of Maine at Farmington, Endicott, Mitchell College, Hesser College, Bloomfield College, Castleton State College.

The following graduates were scholarship recipients: Dominic Ricco and Jeffrey McComish - Wilton Business Association; Tricia LaFlamme - Milford Women's Club; Kate Kregos - Nashua Trust Bank; Tricia LaFlamme, Bent-Burke Post #10; David Geary - Contoocook Board of Realtors; Scott Tucker and Jeffrey McComish - Wilton Garden Club; Deanna Doran and Dominic Ricco - WLC Business Department Scholarship; Dominic Ricco and Shauna Carter - Wilton Men's Basketball; Jodi Nourse and Jeff McComish - Wilton Lioness; Sarah Taylor - Wilton Lions; Jennifer Bell, Shauna Carter, Tracy Cheever, Terri Davidson, Deanna Doran, John Gleneck, Diane Houston, Courtney Howard, Jason Hutchinson, Kate Kregos, Tricia LaFlamme, Ellen Leavitt, Jodi Nourse, Melanie Pries, Richard Galletta, Dan Jean, Bruce McComish, James Patterson, Joseph Prejsnar, James Prejsnar, Jennifer Vanderhoof, Jennifer Wilson, Michelle Robichaud, Sarah Taylor, Scott Tucker - Blanchard; Matthew Barnes - S. Archibald Smith Award; Tricia LaFlamme - William Loeb; David Geary - U.S. Coast Guard Appointment.

During the week of April 16th, WLC students undertook a number of activities associated with "Earth Day". At assemblies, students heard a representative of the Clamshell Alliance debate with a member of the Coalition for Reliable Energy, an environmental group from Camp Sargent helped students understand many aspects of the environment, and two students from Antioch Graduate School of Environmental Studies presented a number of projects focusing on recycling. Other activities included a "School Clean-Up Day", a "Trashwalk" during which 100 students and 15 teachers collected over 83 bags of trash along the various roads in Wilton, a "Whale Watch", and tree-planting activities which were concluded in the fall with the planting of over 30 crabapple trees in the front, side and driveway areas of the school.

Other activities which highlighted the year: Phase I of a School Beautification Project was completed. It was a combined effort of parents, teachers and students who renovated the entry area to the school. The Drama Club doubled the size of its audiences and student participation with performances of Alice in Wonderland, The Book of Murder, Baby, and A Bad Year for Tomatoes.

The boys' and girls' varsity basketball teams enjoyed excellent seasons. The girls advanced to the quarter finals of the Class S Tournament, and the boys accomplished a first at WLC by advancing to the Tournament Final where they were edged out by a determined team from Nute High School.

The Home Economics Department presented a very successful fashion show in December before a capacity crowd in the Cafetorium.
